Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Bubbles and Troubles Prescott Woods is in trouble! A belly dancing lawyer, a stray cat of highly questionable origin, and a particularly malodorous gnome come to the rescue. Carmen loves living in Charade, Kentucky. The quirky Appalachian village is everything that Chicago wasn't. Populated by modern day New Agers, Charade is like Mayberry with tie-dyed shirts, organic food, and incense thrown in for flavour. When Calvin Prescott makes plans to sell his land to a high-end property developer, Carmen fears that the town she calls home will be changed forever. A new neighbourhood of multi-million dollar mansions would spell disaster for Charade's simple, small town charm. Brock and his family moved to Prescott Woods over two hundred years ago. Like the other magical beings of the woods, they are immortal and imbued with special powers. Destruction of Prescott Woods would mean more than a change of pace for Brock and his kind-it would mean death. Brock can take on the appearance of anything-including animals of all sizes and shapes-in order to get closer to Carmen and save his home. As Carmen learns more of the secrets of Prescott Woods, she finds that Brock is irresistibly strokeable, regardless of his appearance. She also uncovers danger, family drama, and the most luxuriant subterranean spa she can imagine. Beds and Blazes There's passion smouldering at the bed and breakfast in Charade, but what will it take to fan the flames? Dora Fontaine, the proprietress of Charade's only BB, enjoys sharing her ultra-feminine home with guests. From the red Blaze roses in her garden to the frilly lace curtains and antique tea service in her kitchen,...
