

Thoughts on Building Strong Towns, Volume 1 (Paperback)

By Charles L Marohn Jr

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Following World War II, the United States embarked on the great social and financial experiment of suburbanization. While it created tremendous growth, opportunity and prosperity for a generation that had just lived through economic depression and war, the way cities and regions were being built ? spread out across the landscape ? would ultimately be extremely expensive to sustain, far greater than the relative wealth the approach would generate. The harsh legacy of this reality is what nearly every U.S city faces today. A new approach to creating and sustaining prosperity is necessary. Charles Marohn is the author of the Strong Towns Blog and founder of the Strong Towns movement. As a civil engineer, land use planner, economic thinker and author, he brings a fresh perspective to the way America s cities have been built and financed. His work has been widely distributed and examined by decision-makers at all levels of society. Thoughts on Building Strong Towns is a collection of Marohn s thought-provoking essays from 2011, reworked and edited with some additional material and notes added by...

Reviews

It is an amazing ebook i have possibly study. Indeed, it is engage in, nevertheless an amazing and interesting literature. I am just very easily can get a pleasure of reading a published book.

-- **Christopher Ferry**

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
