Bad Marrow Books, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When a psychotic writer murders his idol in order to score his life s work into the walls of his bed-sit with her blood, little does he know that he has sparked a chain of events that will bring about his own brutal demise. What follows is riotous journey into the afterlife, replete with purgatorial bureaucracy, an awkward reunion with his victim and the Starbucks for the Existentially F**ked. Interspersed between the chapters of this blackly comic novella are the very stories, chiselled in viscera on that fateful day. Stories of killer invisible friends, inter dimensional sociopathic clowns, futuristic sex toys, humanoid shark people, men reincarnated as supermarkets, and much, much more. The writers laurels definitely have to go to Liam Davies. Charles Packer, Sci Fie Online Review, 2006 (with regards to a previous incarnation of the Adventures in Bed-sit novella, as published in Triquorum 2, Pendragon Press).
