iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 147 mm. Language: English Brand New Book ***** Print on Demand *****.Exercise your brain's right hemisphere to write words using improved visual imagery. Here's how to open 30+ businesses as a creative writing coach incorporating selected techniques for healing and memory enhancement inspired by music, drama, and art therapists. Learn healing techniques from creative writing therapists using the tools of music, visual imagery, and expressive arts therapies in the background. It's a multimedia approach to enhancing creativity, memory and to write salable work. Are you interested in guiding life story writers in a variety of environments from life-long learning or reminiscence therapy to working with hospice chaplains? Be an entrepreneur, career coach, or manuscript doctor organizing groups using music and art in the background to inspire authors. Design brain-stimulating exercises for specific types of writing. Tired of analyzing puzzles to build brain dendrites and stimulate, enhance and exercise your own memory or those of groups or clients? Help yourself or others write salable works and move beyond journaling as a healing tool. Write therapeutically about a significant event in anyone's life against a background of art or music. Fold paper to make pop-up books, gifts, or time capsules where you can illustrate and write. Even add MP3 audio files.
