UNDERSTANDING THE GODHEAD (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Trinity doctrine is the general doctrine on the Godhead for most churches. But for any member that ever tried to investigate the confused concept it only becomes more confusing. Eventually churches put forth the idea that we cannot understand God. However the Trinity doctrine was only introduced over 300 years after Christ s crucifixion. Initially it was not taught! The word does not even exist in any form in any decent translation. It was never taught by any rabbi in for thousands of years. It was never taught in the Temple of God. It was never taught by Christ, There is no evidence of it ever mention in any original and true manuscripts. It was a Roman invention, brought on in successive councils managed by Rome. Is it true? Or is there another explanation? This book examines the mistranslations evident from original manuscripts as referenced in footnotes of various versions, and leave us with a clear and simple understanding. You can understand God!.
