Two zebras meet in a forest clearing. One of them is big, another is small. The little zebra loves to walk and sings a song about herself all the time. In this song, she repeats her name several times. Hearing the little zebra s song, the large zebra begins to cry. The little zebra is trying to figure out the cause of the crying. As it turns out, the large zebra does not know her name or how to read her white and black stripes. The little zebra tries to help the large zebra. She asks for help and looks for an elephant s aid, and then assistance from an owl. But all attempts are in vain, and the large zebra cries louder and louder. Then a miracle happens! A small forest bird helps the large zebra learn her name and even compose her own song! Games and the friendship of the two zebras attract the attention of the music master, who has the idea of creating a piano. Read this story and show the beautiful pictures to your child, regardless of his musical knowledge and abilities. You will see how much joy it will bring to your little one.
