PRIME CURIOS!: THE DICTIONARY OF PRIME NUMBER TRIVIA (PAPERBACK)

[DOWNLOAD](#)

Booksurge, United States, 2009. Paperback. Book Condition: New. 218 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a dictionary of prime number trivia, an eclectic collage of miscellaneous facts. A few of these tidbits have deep mathematical significance, but many are simple observations which require no mathematics. For example, in what year did England make it illegal to jail a jury for returning the wrong decision? What was Jenny s phone number in Tommy Tutone s hit song? What is the highest number of votes a candidate received for the U.S. Presidency while incarcerated? Other results are quasi-mathematical, such as those having to do with the shape or representation of a number. Consider the prime 18181: This number is the same forwards, backwards, and even upside down--do you know how many of these primes there are? Can a prime be small and even, and at the same time, large and odd? The heart of our book is the 235-page dictionary of 2151 curios about 1095 different primes recorded dictionary style as brief entries, with over 150 tables and figures.
