BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This testimony discusses (1) continuing indications of fraud and abuse related to controlled substances paid for by Medicaid; (2) specific case study examples of fraudulent, improper, or abusive controlled substance activity; and (3) the effectiveness of internal controls that the federal government and selected states have in place to prevent and detect fraud and abuse related to controlled substances. To identify whether there are continuing indications of fraud and abuse related to controlled substances paid for by Medicaid, we obtained and analyzed Medicaid claims paid in fiscal years 2006 and 2007 from five states: California, Illinois, New York, North Carolina, and Texas. To identify indications of fraud and abuse related to controlled substances paid for by Medicaid, we obtained and analyzed Medicaid prescription claims data for these five states from the Centers for Medicare and Medicaid Services (CMS). To identify other potential fraud and improper payments, we compared the beneficiary and prescriber shown on the Medicaid claims to the Death Master Files (DMF) from the Social Security Administration (SSA) to identify deceased beneficiaries and prescribers. To identify claims that were improperly processed and paid by the Medicaid program because the federal government banned these prescribers and pharmacies from prescribing or dispensing to Medicaid beneficiaries, we compared the Medicaid prescription claims to the exclusion and debarment files from the Department of Health and Human Services Office of Inspector General (HHS OIG) and the General Services Administration (GSA). To develop specific case study examples in selected states, we identified 25 cases that illustrate the types of fraudulent, improper, or abusive controlled substance activity we found in the Medicaid program. To develop these cases, we interviewed pharmacies, prescribers, law enforcement officials, and beneficiaries, as...
