I wrote my first poem when I was studying in tenth standard and after that It became my habit. I started writing poems, short stories, devotional stuff and never cared to preserve them. One day my Son told me to write something about myself and I did and handed over to him. The result of it I got was my first published book and then it became history. Till now I have Four published books in my name and this is my fifth one. I hope that you must have enjoyed reading it as much as I have writing it.
