

Primitive Christianity Its Writings and Teachings in Their Historical Connections, Vol. 1 (Classic Reprint) (Paperback)

Filesize: 4.22 MB

Reviews

It is great and fantastic. Sure, it is actually perform, nevertheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ivy Hilll DDS)

PRIMITIVE CHRISTIANITY ITS WRITINGS AND TEACHINGS IN THEIR HISTORICAL CONNECTIONS, VOL. 1 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Primitive Christianity Its Writings and Teachings in Their Historical Connections, Vol. 1 In the present edition the work appears in a thoroughly revised and greatly extended form. The progress which the last decade has witnessed in exegetical and critical studies, and in the historical investigation of religion, has throughout been turned to account. Among theologians of the present day, I am indebted above all others to my honoured friend Dr Heinrich Holtzmann, whose works on New Testament Introduction, Theology, and Exegesis are so notably distinguished by complete mastery of the material, by absence of prejudice, and by critical acumen, that they will doubtless long rank as standard authorities. But I have carefully studied also the work of other theologians of the most diverse tendencies; and where I have learned anything from them, or have had the satisfaction of finding myself in agreement with their results, I have indicated of the fact by quotations or references. On the other hand, I have on principle refrained from polemics, in order, for one thing, not to extend my book beyond due limits, but also because, in my belief, polemics are of little value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
