

The Prevention of Dental Caries (Classic Reprint) (Paperback)

Filesize: 4.1 MB

Reviews

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
(Prof. Mark Ratke Jr.)

THE PREVENTION OF DENTAL CARIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Prevention of Dental Caries Dental Caries is one of the most easily and certainly preventable of diseases, and there would seem now to be no valid excuse for the bringing up of children with decayed teeth, together with all the pathological results which they give rise to. Unfortunately, so far it is only those who have become interested in the subject, and who are themselves possessed of the required knowledge to come to correct conclusions on the subject, who know the simple secrets of prevention. That is to say, a goodly proportion of the dental profession and here and there a few medical men who have paid attention to the long and laborious investigations which have led to the solution of this important problem. It is with the idea of letting what is already known to a few become more widely known, among medical men more especially, that I venture to publish this pamphlet. Those who find the subject of interest or importance would do well to make their knowledge more secure, by acquainting themselves not only with the outlines of the means of preventing the disease as presented in these pages, but also with at least a general knowledge of the pathology and the etiology of the disease, because for some considerable time, incredulity, ignorance, prejudice, vested interests and the commercial spirit are likely to continue to make a stubborn resistance to the diffusion of the truth. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the...
