The Bermuda Triangle Pathway to Atlantis

By Cary Trantham

AuthorHouse Publishing. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The Atlantians started to experience instability in the umbilical cord or worm hole that connected them to earth. Human species and their vehicles (boats, planes, etc); were slipping through these unstable portals into the Universe of Atlantis. On Mother Earth, the area where these occurrences were happening was designated as the Bermuda Triangle. The Atlantians watched in horror as the entire Earth began to suffer from the effects of the exploration and removal of fossil fuels. The Earth's crust had become very unstable and underwater earthquakes were on the increase. The Atlantians knew that unless the Earth humans realized and did something about the damage to Gaia from the use and exploration of fossil fuels, she would be damaged beyond recovery and all would die. They were very concerned as it was unsure if their parallel universe could survive without Gaia. They were also unsure if the umbilical cord that connected the two universes could be severed. If Gaia exploded, the Atlantean civilization may also come to an end. The Atlantians put their faith into a young girl from Earth. She had slipped into their world...
